The serene atmosphere contains air full of knowledge.

The serene atmosphere of my college contains air full of knowledge. The students here excel in all spheres whether education or sports. Various clubs like, E-cell, Yavnika does the work of carving out talent out of students so that they become capable of representing themselves and college in the outside world.

AIMSR recognized my talent always supported me.

I am a Cinematographer by passion AIMSR recognized my talent in Film-Making and always supported me, giving me so many opportunities to portray my talent and films to everyone. Recently on Premiere of my 1st Professional film 'The Steps' I got a huge success in my filming career. I am very thankful to AIMSR for various golden opportunities.

You can explore here on every path.

Life in Acropolis is one of the best experiences, the journey from Rishikka to Anchor Rishikka, youtuber, event organizers what not begun from this college. There are so many things you can explore here, on every path I discovered something new in me. Today what I am, all because of my mentors' efforts, appreciation, love and concern towards me. I'm very grateful to be a part of such lovable family.
