ANNUAL REPORT

2024-25

AIMSR Annual Report 2024–25

Institutional Overview

Acropolis Institute of Management Studies & Research (AIMSR) is a distinguished higher education institution committed to fostering academic excellence, professional competence, and holistic development. The institution operates with a clear vision of preparing globally aware, socially responsible, and industry-ready graduates while upholding the highest standards of ethics and integrity.

AIMSR offers a broad spectrum of multidisciplinary programs encompassing Management, Commerce, Computer Science, Humanities, Biosciences and Law. All programs are structured in alignment with the National Education Policy (NEP 2020), emphasizing flexibility, academic rigor, interdisciplinary learning, and outcome-based education.

The institute is supported by qualified and experienced faculty members actively engaged in teaching, research, innovation, consultancy, and extension activities. AIMSIR promotes a culture of continuous learning and encourages faculty participation in FDPs, workshops, conferences, and research publications. The institution also facilitates ICT-enabled teaching–learning processes, skill-enhancement courses, value-added programs, and experiential learning opportunities to strengthen student competencies.

AIMSR's infrastructure includes well-equipped classrooms, digital learning resources, laboratories, seminar halls, libraries, and student support facilities conducive to an enriching academic environment. The institution adopts transparent governance practices and follows a participative management model to ensure effective academic and administrative functioning. The institute actively contributes to societal development through community outreach initiatives, extension activities, environment-conscious practices, and collaborations with industry, academia, and professional bodies. Through its student-centric ecosystem, structured support services, placement initiatives, and focus on innovation and entrepreneurship, AIMSIR continues to strengthen its quality benchmarks and institutional performance.

With a commitment to continuous improvement and quality enhancement, the institution aspires to evolve as a center of excellence contributing meaningfully to higher education and national development.

Vision

To envisage future challenges in the field of education both at a National and international level. Educate and train students so that they can become qualified & highly skilled professionals and meet future challenges and needs of globalization with panache.

Mission

- To develop an entrepreneurship ecosystem so that students can become job creators.

- To promote meaningful research among students and faculty members to address local, national and global issues.
- To make the students employable through value addition and skill development courses in association with topmost organizations of the country.
- To develop and implement a connectivity of cooperation between industry and academia. Develop analytical skills and out of box thinking by utilization of modern pedagogy.
- To sensitize the students towards social responsibilities and inculcation of ethical practices and life skills.

Best Practices

1. Promotion of Research and Innovation: Faculty and students are encouraged to publish research, file patents, and present in conferences.
2. Community Service through NSS: Activities include plantation, blood donation, health camps, women empowerment, and environmental drives.
3. Entrepreneurship and Startup Ecosystem: Students are mentored to create startups, with successful examples like 'Desk Meals'.
4. Holistic Development: Cultural events, sports activities, seminars, FDPs, and value-added programs enhance all-round growth.

Future Plans

AIMSR envisions a dynamic roadmap for institutional growth that aligns with global academic trends and national priorities. The institute plans to introduce emerging interdisciplinary programs in areas such as artificial intelligence, data sciences, fintech, biotechnology innovation, environmental sustainability, and legal-tech. To strengthen research culture, AIMSRS aims to establish Centers of Excellence focusing on innovation, entrepreneurship, interdisciplinary research, and community engagement.

The institute also plans to expand **international collaborations**, promote **global academic exposure** through student exchange programs, foreign internships, and joint degree opportunities. Additional focus will be placed on improving incubation support, mentoring budding startups, and developing a campus ecosystem that nurtures creativity, problem-solving, and professional excellence.

Collaborations

AIMSR is committed to fostering meaningful collaborations that enrich academic quality and enhance student opportunities. The institute seeks long-term partnerships with reputed national and international universities, research organizations, industry leaders, corporate sectors, NGOs, and government institutions.

These collaborations are aimed at enabling joint research projects, faculty exchange programs, industrial training, student internships, curriculum development, and consultancy services. Through Memorandums of Understanding (MoUs) and academic alliances, AIMSIR endeavors to expose students and faculty to global best practices, cutting-edge research advancements, and industry-aligned learning platforms.

Quality Enhancement Initiatives

AIMSR constantly strives for excellence through a structured and systematic approach to quality improvement. The institute follows rigorous academic and administrative audits, outcome-based education (OBE) methodologies, regular feedback analysis, and continuous faculty upskilling via workshops, seminars, and FDPs.

Technology-enabled teaching, including ICT tools, virtual labs, and e-learning platforms, has been integrated to enhance learning outcomes. The institution benchmarks its practices with other leading universities to adopt **innovative pedagogies**, **competency-based learning**, and **student-centric approaches**. These initiatives collectively ensure continuous improvement in teaching-learning processes and institutional performance.

Extension Activities

AIMSR undertakes a wide spectrum of extension and outreach activities aimed at cultivating social responsibility and community engagement among students. Through **NSS**, **departmental clubs**, and **social welfare committees**, the institute organizes programs such as plantation drives, environment awareness campaigns, blood donation camps, health camps, women empowerment sessions, cleanliness drives, and road safety initiatives.

Students also participate in **rural outreach**, **community development**, **literacy campaigns**, **mental health awareness**, and **anti-drug programs**. These initiatives encourage students to contribute meaningfully to society, develop leadership qualities, and promote the spirit of citizenship and empathy.

IQAC Initiatives

The Internal Quality Assurance Cell (IQAC) plays a strategic role in maintaining and elevating academic standards at AIMSIR. IQAC conducts periodic assessments, academic audits, and documentation to ensure compliance with NAAC quality benchmarks. It organizes faculty development programs, workshops on accreditation, curriculum enrichment sessions, and training programs for teaching and non-teaching staff.

IQAC also promotes best practices, monitors institutional performance through data-driven mechanisms, facilitates stakeholder feedback systems, and collaborates with departments to implement continuous improvement strategies. Through its proactive functioning, IQAC ensures transparency, accountability, and excellence across institutional processes.

Value-Added Courses

AIMSR offers an array of value-added and certificate courses designed to enhance employability and skill development among students. These include programs in soft skills, communication enhancement, digital literacy, entrepreneurship, advanced computing, data analytics, biotech techniques, financial markets, legal awareness, and professional certifications.

These courses provide hands-on training, practical exposure, and opportunities for students to acquire industry-relevant competencies. The institute plans to expand this portfolio by introducing more domain-specific certification modules in collaboration with skill councils and industry experts.

Alumni Engagement

AIMSR maintains a strong and active relationship with its alumni through various engagement activities. Alumni serve as valuable contributors by participating in expert lectures, panel discussions, career guidance sessions, industry interactions, and mentorship programs.

The institute organizes alumni reunions, networking meets, and online community platforms to keep the alumni network connected. Alumni support institutional development by offering internships, placements, collaborative projects, and insights into industry trends. Their Continuous involvement enriches the academic environment and enhances student career readiness.

Infrastructure

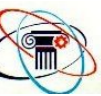

AIMSR maintains a robust physical and digital infrastructure to support effective teaching–learning and academic growth. The campus includes well-equipped classrooms, ICT-enabled learning spaces, modern laboratories, a well-stocked library, and dedicated seminar halls. Additional facilities include Wi-Fi-enabled areas, student activity spaces, medical support, sports infrastructure, and accessible amenities for Divyangjan. Continuous upgrades are undertaken to enhance the academic environment, ensure safety, and meet emerging educational requirements. The institution remains committed to offering a conducive, modern, and learner- centric campus experience.

Infrastructure Upgrades AIMSR continues to invest in the development and modernization of its physical and digital infrastructure to support a holistic academic environment. Recent upgrades include enhancement of smart classrooms, modern laboratories, digital learning resources, Wi-Fi-enabled campus, and renewable energy installations.

The institute plans to expand **research laboratories**, upgrade **library facilities**, strengthen **sports infrastructure**, renovate student activity centers, and implement additional safety and surveillance mechanisms. Future projects include new seminar halls, incubation spaces, and technology-integrated classrooms that promote interactive and experiential learning.

Medical Facilities

AIMSR ensures the health, safety, and overall well-being of its students and staff through a dedicated and fully equipped medical room on campus. The institute provides first-aid support, basic medical assistance, and immediate response during emergencies through trained personnel. In collaboration with reputed hospitals and healthcare organizations, AIMSR organizes regular health camps, including eye check-up camps, general health screenings, blood pressure and sugar check-ups, and awareness drives on hygiene and preventive healthcare. The campus maintains an accessible system for emergency care and ensures that students receive timely attention, guidance, and referrals whenever required. This proactive health support system reflects the institution’s commitment to fostering a safe, healthy, and student-centric learning environment.

Divyang (Handicapped) Friendly Facilities

AIMSR is committed to creating an inclusive and accessible campus for students with special needs. The institute provides essential Divyang-friendly facilities such as ramps at key entry points, wheelchair-accessible pathways, and designated seating areas to ensure smooth mobility. Accessible washrooms and priority support services are available for students requiring assistance. The administrative and support staff extend immediate help and guidance whenever needed, ensuring that every learner experiences a safe, barrier-free, and supportive academic environment.

Cultural

AIMSR promotes holistic development by encouraging active student participation in cultural, literary, and performing arts activities. The institute organizes a variety of events such as annual cultural festivals, debate competitions, music and dance performances, dramatic arts, and inter-collegiate competitions, providing students with platforms to showcase their talents.

Various departmental clubs and committees coordinate cultural activities throughout the year to nurture students' creativity, confidence, leadership, and teamwork. Students have achieved notable distinctions in external competitions, demonstrating the institute's emphasis on cultural excellence and personality development. The cultural ecosystem aligns with AIMSIR's mission to foster well-rounded, socially skilled, and culturally aware graduates.

NSS

The National Service Scheme (NSS) unit at AIMSIR plays a pivotal role in fostering social responsibility, community engagement, and youth leadership. Students participate in activities such as cleanliness drives, health camps, environmental awareness, blood donation, women empowerment programs, and rural outreach initiatives. The NSS unit conducts regular campaigns in collaboration with local bodies and NGOs to address societal needs. Through these initiatives, AIMSIR cultivates a spirit of service, empathy, and nation-building among students, aligning with the institution's vision of holistic and value-based education.

SPORTS

AIMSR provides well-maintained sports facilities to promote physical fitness, teamwork, and competitive spirit among students. The campus supports both indoor and outdoor sports, including badminton, cricket, handball, athletics, and fitness activities. Qualified mentors guide students for inter-college and university-level tournaments, where AIMSIR teams consistently secure commendable achievements. Regular sports events, practice sessions, and health-oriented initiatives contribute to students' overall well-being and holistic development.

Library

The AIMSIR Library serves as a knowledge hub supporting academic excellence and research across disciplines. It houses a rich collection of textbooks, reference books, journals, e-resources, and digital learning materials. The library offers ICT-enabled services, access to e-journals, OPAC search facilities, reading rooms, and a peaceful environment conducive to self-study. Regular additions to the collection ensure updated academic resources. The library operates under well-defined rules, promoting systematic usage by students and faculty while supporting teaching, learning, and research activities.

Conclusion

The academic year 2024–25 has been eventful and productive for AIMSIR, marked by significant achievements in academics, research, innovation, student progression, cultural excellence, and community engagement. The institute has continued to strengthen its academic processes through OBE implementation, ICT integration, value-added programs, industry collaborations, and a strong focus on holistic development.

Faculty members contributed meaningfully through publications, patents, presentations, and professional growth, while students excelled in higher education admissions, placements, entrepreneurial ventures, sports, and cultural activities. NSS initiatives strengthened AIMSIR's commitment to social responsibility and environmental sustainability.

As AIMSIR continues to move forward with its vision of shaping globally competent and socially responsible individuals, the institution remains dedicated to quality enhancement, inclusive growth, and fostering a vibrant learning ecosystem. With the collective efforts of faculty, staff, students, stakeholders and IQAC, the institute is poised for even greater accomplishments in the coming years.
