

OFFICE ORDER- INCUBATION CELL - 2025-26

01-11/8/25

Subject: Constitution Incubation cell for Session 2025-2026

The Cell will convene in the month of August 2025 for the academic session 2025–2026. The Incubation Cell has been constituted for the academic session 2025–2026 to promote innovation, entrepreneurship, and startup culture among students. The Cell will commence its activities from this session and will focus on mentoring, idea development, industry interaction, and facilitating incubation support for aspiring entrepreneurs.

All concerned members are requested to extend their cooperation for the successful functioning of the Cell.
